

RAVELLO
LED DOWNLIGHTER

IP20/IP44 

Installation instructions

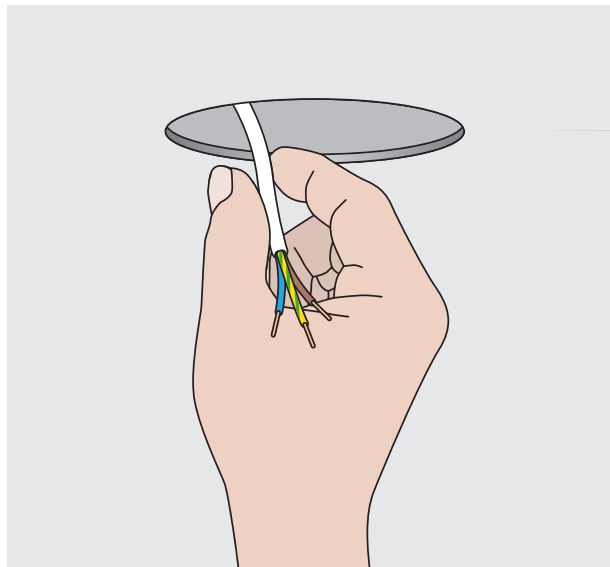

Innovation.
Collaboration.
Illumination.

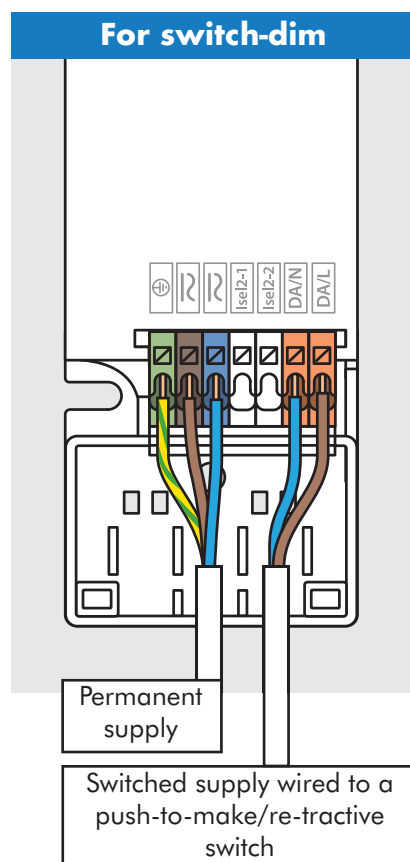

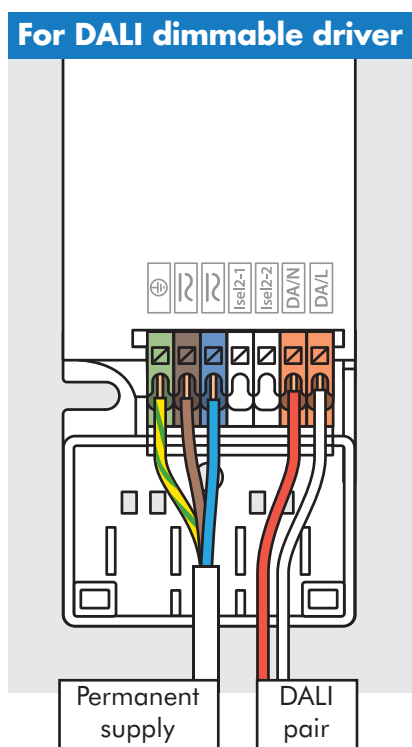

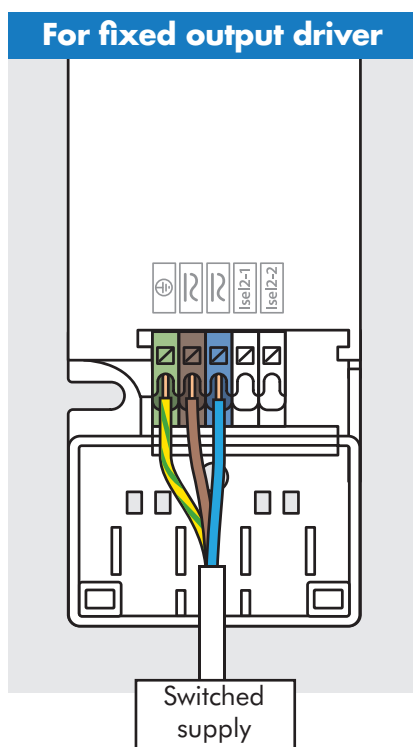

Installation instructions

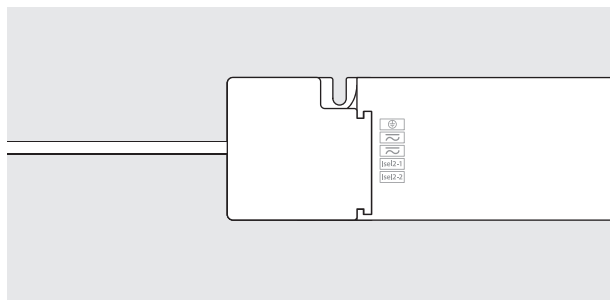

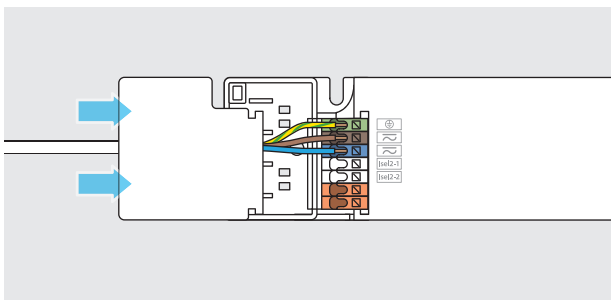

Cut Ø160mm hole in the ceiling.

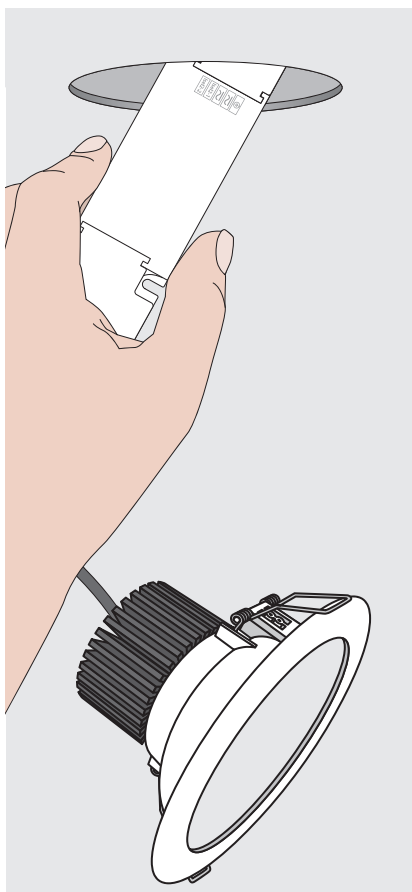

Pull the cable through the hole and connect to the driver.

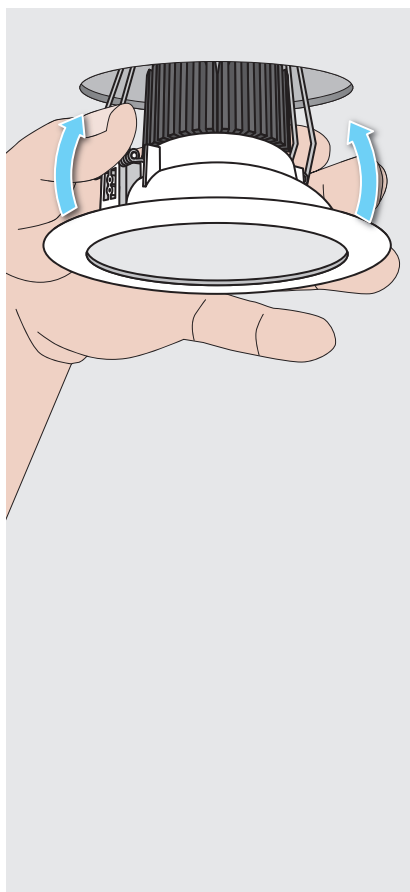

Installation instructions

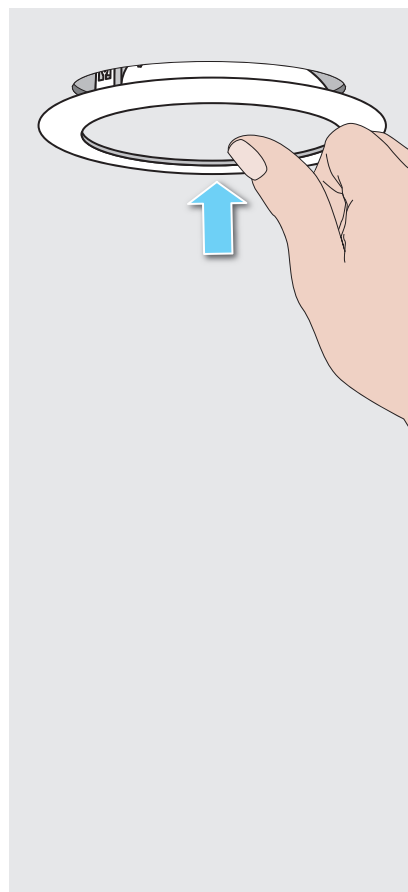

Clip on any strain relief clips and terminal cover/lid.

Insert the driver and the back of the downlight through the Ø160mm hole.

Squeeze springs upwards and push in to the ceiling.

Push Ravello until fully installed.
